Arvinius + Orfeus Publishing is proud to present Style icon & Philanthropist – Marianne Bernadotte

She has been on stage of the Royal Dramatic Theatre, spent time in Paris salons and was sought after by the paparazzis. But she also helped young scientists and artists early in their careers and was praised for her efforts in dyslexia and paediatric eye care research.

Meet Marianne Bernadotte, actress, philanthropist and humanist. And collector of outstanding haute couture – clothes that bear her timeless sense of style and insights on sustainability.

“This book covers Marianne Bernadotte’s life, work and great contributions – as well as her sense of style and interest in design and fashion manifested in the Millesgården exhibition of the most unique and, from an artistic perspective, most valuable pieces from her wardrobe..”
