LETTER TO MY DEAR

PUBLISHED BY ARVINIUS + ORFEUS PUBLISHING, THE NORDIC REGION'S LEADING PUBLISHER OF CONTEMPORARY ART, ARCHITECTURE AND DESIGN

Arvinius + Orfeus Publishing is proud to present Letter to my dear, a thought-provoking project exploring abstract concepts of life and eternity.

The nuclear waste we produce today has to be stored for 100,000 years before it becomes safe for people, animals and nature. That difficult to grasp timescale is the theme for the art project where the artist Lennart Grebelius brings the question of our moral responsibility to future generations to the fore. As a part of the project, the book is a letter to a child of a future generation where the time span is made physically visible.

Lennart Grebelius, a philanthropist/businessman/artist, uses art to turn abstract ideas into tangible objects. With Letter to my dear, Grebelius takes on eternity. He asks a simple question that sheds light on a very real and very moral dilemma: What can we demand of our children? And of their children?

The book debuted at the Frankfurt Book Fair on 14 October, with an exhibition to follow at the Wetterling Gallery in Stockholm, 6–14 November.
