WHISPERING VOID

New book by Joakim Eneroth

PUBLISHED BY ARVINIUS + ORFEUS PUBLISHING, THE NORDIC REGION'S LEADING PUBLISHER OF CONTEMPORARY ART, ARCHITECTURE AND DESIGN

**Arvinius + Orfeus Publishing is proud to present
Whispering Void, a new art book on the subconscious mind.**

In *Whispering Void*, artist Joakim Eneroth explores the nature of the mind from a Western psychological perspective combined with contemporary neuroscience. It is a continued examination of the theme, which was investigated in his previous art project *Short Stories of the Transparent Mind* from an Eastern philosophical point of view. In *Whispering Void*, Eneroth reveals the deeper subconscious layers of experience, the dance of notions and perceptions in the fluctuating mind. The questions often revolve around how to distinguish the mental projections of the mind from reality itself.

Joakim Eneroth, born 1969, is an internationally established artist whose work is represented in the collections of the Tate Modern in London, Brooklyn Museum of Art in New York, MEP in Paris, and Moderna Museet in Stockholm, among others. Awareness and mind are the themes that unite Eneroth's protean work.

With each new series, the artist explores another aspect of consciousness and the boundaries where our inner and outer worlds meet.
