

FOR IMMEDIATE RELEASE

SCENARIO INTERIOR ARCHITECTURE DESIGN

A MONOGRAPH PUBLISHED BY ARVINIUS + ORFEUS PUBLISHING, THE NORDIC REGION'S LEADING PUBLISHER OF ARCHITECTURE AND DESIGN.

A new monograph celebrating the work of Norwegian interior architecture office Scenario is released by Arvinius + Orfeus Publishing.

Over the past 30 years, Scenario has established itself as one of the leading interior architecture offices in Norway, and is responsible for transforming the field of interior design in Norway from an occupation seen as merely decorative to a concept-driven design practice that is fully integrated into the architectural process. Founded and helmed by the bold and fearless Linda Steen, Scenario puts forth a simple but innovative proposition: Each new space demands its own atmosphere. Linda and her colleagues create “scenes” – hence their name, Scenario – that respond to the function of each space and the needs of each client. As the firm celebrates its 30 year jubilee, we take this opportunity to examine in detail the foremost projects in the firm’s vast oeuvre.

You have to fight for what you believe in. Design doesn't just come to you from nowhere. – Linda Steen, Scenario
